GENERAL INFORMATION

I have extensive teaching experience in undergraduate and postgraduate programs, as well as in adult education and distance learning programs. During my studies, I received scholarships and was honored with excellence awards for my contributions to research. My research interests focus on the broader field of accounting and corporate governance. My research has been published in numerous prestigious and high-impact international academic journals, such as the Journal of Financial Stability, Journal of International Accounting, Auditing and Taxation, Review of Quantitative Finance and Accounting, Journal of Accounting Literature, International Review of Financial Analysis, International Journal of Finance & Economics, Accounting in Europe, and European Management Journal. Additionally, I serve as a reviewer for international academic journals and participate in several of their editorial boards.
